PASADENA, CALIFORNIA

September 11, 1875

June 16, 1965

For all the saints who from their labors rest,  
Who Thee by faith before the world confessed,  
Thy Name, O Jesus, be forever blest.

O may Thy soldiers, faithful, true, and bold,  
Fight as the saints who nobly fought of old,  
And win with them the victor's crown of gold.

From earth's widebound, from ocean's farthest coast,  
Through gates of pearl streams in the countless host,  
Singing to Father, Son, and Holy Ghost, Alleluia! Alleluia!

The Editor Cogitates: The face of a sundial reads, "I count only the sunny hours." But think of what the sundial fails to record; the restful silences of long night watches, the sound of rain beating upon thirsty earth, the glory of the sinking sun penetrating the dust-laden atmosphere.

Complain not of the sunless hours, the dreary, grief-filled days. Let the silences of grief bring out the sweeter harmonies of life. Let the showers of misfortune assure us they make the sun-filled hours bearable. Let us remember as twilight enfolds us it is the dust raised by the day's confusion that gives the sunset its beauty.

When your rainy days come, listen for their comforting harmonies, let them relieve the blinding glare of unbroken, sun-drenched days, catch the glory of God's mercy and love as they penetrate your griefs. Make the most of the sunless hours of life.

Oops, my dears! Our Monday-evening sack suppers in the arbor do not begin til July 12. By custom, we begin breaking bread together the first Monday in July, but with our national birthday celebration coming on the first Monday, we will postpone our first sup and singfest til the twelfth.

TERSE  
VERSE

No McTavish  
Was ever lavish.

From the Front Office comes the report that Mr. Ralph P. Lowe, a member of Pasadena Presbyterian Church and a son-in-law of Jessie Spining has been elected to our Board of Trustees.

Mr. James K. Ingham who has served on the Grove Board of Trustees for twenty-five years has been made an honorary life member.

The Rev. Pyron McMillen of Carmichael, who at the June meeting of the Synod of California concluded his term as moderator, made an official visit to The Grove on June 11. In his report to Synod, he spoke in laudatory terms of the services rendered by The Grove to its residents. Our manager, James McDill, complemented the report.

The Synod of California will continue residents of The Grove among its beneficiaries in 1966-67. It voted a grant of \$12,000.00 to the budget of The Grove for that year.

Berth Bush has moved from Unit 11 to Unit 6.

Mrs. Elisabeth Vater is our most recent resident. She arrived on June 10 and is established in Unit 3. Her most recent address was Hollywood. Her husband, Williamson D. Vater who deceased in 1938, held pastorates in Indiana, Missouri, Oregon and California. Elisabeth is an accomplished pianist and an addition to the musical section of our family.

Do you know our trees? Between our two front east and west lanes south of the Units is our only Sycamore. It is heavily laden with seed pods which it will shed with its leaves during the winter.

Just to the south of Lane B in the hollow of the curve is our only Horse-chestnut. Its pink blossoms in July and August are a beautiful sight. Right at its base is a Bay Rum bush.

Just to the south of the Horse-chestnut is our only Coffee tree. Its pods resemble coffee bean pods. Its blossom is a beautiful blue.

Just south of the Health Center is an Orchid tree. Its blossoms resemble orchids. Its transplants may be found about our campus.

Harry Andrew Rhodes took his leave of us on June 16, 1965. And so gentle was his passing. Sitting in his favorite chair, conversing with members of his family, and then he was gone. Sunset and evening star!

Harry Rhodes was born in East Brook, Pennsylvania on September 11, 1875. His college was Grove City. His theological studies were pursued at Western and Princeton seminaries. Simultaneously, he earned an M.A. degree from Princeton University.

Following his seminary graduation he married Edith Brown. To them were born three children; Helen, Mrs. Francis M. Scott of Lancaster, Pennsylvania, Paul of Hayward, California and Howard of Bellflower. All three were present for his funeral which was held at the San Marino Presbyterian Church on June 20. He is survived by his wife, his three children and eleven grandchildren.

The Rhodes' career consisted mainly of thirty-eight years as missionaries assigned to Korea. Here he served as an evangelist, a college professor, an administrator, an editor and author. Following ten years in interim pastorates here in the States, the Rhodes entered Monte Vista Grove Homes in January of 1951.

The Eighty Club closed out its 64-65 season on June 12 at the lovely home of Mrs. Boardman Ganfield. Mrs. Ganfield has presented a series of interesting studies to the Club on the Book of Acts. She proved a very gracious hostess.

Health and Welfare: If you see a black cat ambling across your path, head quickly for safety. There is standing room only at the Health Center. Cora Hicks suffering from a fall and Laura Starkey from an aching back had to go double in the last room available. If you get laid low now they are likely to bed you down on the porch swing.

The Health Center is grateful for gifts received from the World Service Department of Hollywood First Church.

Among our Thursday evening highlights were a wedding anniversary celebration and fresh, missionary news from the Dominican Republic.

On June tenth the meeting wound up with a recognition of forty years of married bliss for the Kaltenbachs. Refreshments were served.

On June seventeenth Margaret Speer presented a letter from Mr. and Mrs. Donald Dod recently assigned missionaries to the Dominican Republic. The letter gave a very vivid picture of the poverty, the need, the illiteracy, the political instability there.

Thursday evenings bring inspiration and fellowship to our Grove family.

Sarah Cochrane concluded her earthly stay with us on June 23, 1966. She was born on November 16, 1883 at Newark, New Jersey. A memorial service was held at the Westminster Presbyterian Church on June 26,

For thirty-nine years Sarah's mission in life was to serve the mountain folk at Sunset Gap, Tennessee. She itinerated a great deal on behalf of our Board of National Missions.

Sarah became a member of The Grove family in November of 1948. The rose garden at Apartment 12 B is one of her memorials. Contributions from friends and former associates made the garden possible. In 1958 her health required she become a resident of the Health Center. She was ever generous in her expression of appreciation of her care there.

She is survived by two cousins, Mrs. A. R. Hamilton of Montclair, New Jersey and Mrs. Welch of Newark.
